These services are meant to be used throughout the year to help insure your pet's wellness. All wellness plans will auto renew at the year anniversary unless you submit in writing your request to unenroll, at least 30 days prior to your anniversary date. If you unenroll, the balance of your account becomes due immediately. Wellness plans are not transferable between pets or clients. Unused services do not accumulate or roll over. Wellness services are available in case of an emergency but will not be available again until after the anniversary date. If both cards decline, services will be suspended immediately. If balance of services remains unpaid for 30 days client will be sent to collections and refused services until account is paid in full.

By signing below, I authorize Driving Park Animal Hospital to enact a withdrawal monthly on the cards I have provided, on the date I have selected.
